

**ACTIVITY 1.3: Decision Grid**

For each assigned scenario, identify the level(s) of government involved, explain why that level is responsible, and list any challenges or overlaps that might arise from shared responsibility.

| <b>Scenario Summary</b> | <b>Level(s) of Government</b> | <b>Why is this their responsibility?</b> | <b>Possible Challenges or Overlaps</b> |
|-------------------------|-------------------------------|--|--|
|                         |                               |  |  |
|                         |                               |  |  |
|                         |                               |  |  |
|                         |                               |  |  |
|                         |                               |  |  |
